

## Commercial Exhibit

Held annually since 1970, the MTT-S Exhibition comprises more than 400 microwave, subassembly, component, device, material, instrument, and design software suppliers, and draws approximately 10,000 engineers involved in the design of microwave systems, subsystems, components, and devices. The 2007 Exhibition will occupy all three halls of the Hawaii Convention Center, and will be open from 09:00 to 17:00 on Tuesday and Wednesday, and from 09:00 to 15:00 on Thursday. Sorry, but children under the age of 14 will not be admitted to the exhibition hall at any time. Following is a list of exhibiting companies that was complete as of press time.
